

ADVERTISEMENT FOR CONSULTANTS

ADPP Angola, Ajuda de Desenvolvimento de Povo para Povo (Development Aid from People to People), is an Angolan NGO that has been working in the areas of Education, Health, Rural Development, Agriculture and the Environment since 1986.

As part of the project ‘**Strengthening Resilience as a Means of Adapting to Drought and Climate Change in Communities in South West Africa - ADSWAC**’, ADPP is looking to contract:

Consultants, experts in identifying solutions for water supply systems

Objective of the Consultancy:

The water systems will be implemented in 120 communities between the municipalities of Calai, Dirico, Rivungo and Cuangar, in Cuando Cubango Province. The tender is divided into 4 lots, with 30 communities per lot.

On the basis of the ToR, bidders will submit a Portfolio with their proposed methodology, plan and budget.

To apply and obtain the Terms of Reference (ToR), interested parties must send a ‘Letter of Interest’, accompanied by a CV and a Letter of Motivation to adswac.agua@adpp-angola.org within 7 days of the date of publication of this notice in the newspaper Jornal de Angola.
